Subject.

Re-constructing the Govt Annaſhattram at Hangal, Mola Kalmunn Taluk. ~~and to convey~~ ~~grant~~ ~~thereon~~.

LAST REFERENCE:—

Letter No. 191, dated 30th September 1904, from the Deputy Commissioner, Chitaldrug District.

The Govt Annaſhattram at Hangal in the Mola Kalmunn Taluk is endowed with a cash grant of Rs 340-8-0 per annum. It had the marginally noted servants on its establishment prior to 1st December 1893.

1. Muthaddi — Rs 2. 6. 0 p. m.
2. Swayampaki — 3. 10. 0. "
3. Paicharaka — 3. 10. 0. "
4. Neindra Samarpane — 1. 3. 0 — "
5. Gandhakshiti — 1 — 3 — 0 — "
6. Gollar — 1. 3. 0. "
7. Sweeper — " — 11 — "

13. 14 — 0 — "

Padtana — 14 — 8 — 0

Total Rs 28 — 6 — 0

In November 1893, Mr. C. Seenivasaiyar, who was then the Deputy Commissioner of the Chitaldrug District brought to the notice of Govt that Hangal being situated in an out-of-the-way place about 3 or 4 miles from the Taluk Head Quarters, there was very little or no supervision over the doings of the Chattram servants, and that as only very few people requiring cooked food resorted to the Chattram which was

22/11/04

chiefly maintained for the benefit of persons applying for raw rations, he had, in anticipation of Govt. sanction, revised the establishment of the Chattram abolishing the posts of Cook, newly a amanpane sandal shike and Sollar and slightly raising the pay of the retained servants, and adding the savings thus effected for the Padtara expenses of the Chattram. All these were sanctioned as per Govt Pro: No. 527-8 mukt. 40-93 dated 20th November 1893.

1. Cook Chattramam	Rs 4—
2. Sweeper	1—8—
3. Mutsaddi	2—
	7—8—
Padtara	20—14—
	28—6—

As the waterman complained that he could not maintain himself with the cash salary of Rs 4/- per mensem, the same was raised to Rs 6/-, and the add.l charge was ordered to be met from the pay of the mutsaddi who consented to do his portion of the work gratis.

The Deputy Commissioner now reports that the Chattram building is in ruins and that feeding therein has been stopped since January 1898, and Rs 874/- out of the funds thus accumulated have been appropriated towards the completion of the Chattram building at Chitaldrug. He also states that the village of Hangal is situated on the Bangalore-Bellary Road and that when the Railway communication between Bellary and Raidrug is completed,

the number of travellers from Chitaldrug, Bellary, Hoodsi, Kottur and other places, alighting at the Chattram would become considerable, and recommends ~~therefore~~ that a pukka building ~~as~~ may be constructed at Hangal at a cost of Rs 4,013/- similar to the one proposed to be constructed at Hirijur.

As regards the funds necessary for the purpose, the Deputy Commissioner proposes that in addition to the savings of Rs 859-8-0 already at the credit of the Chattram, and to the savings of Rs 250/- to be effected by the stoppage of feeding in the Chattram for ~~a~~ one more year, a sum of Rs 758-7-3 left in favor of the Chattram at Chitaldrug after payment of all dues to the contractor of the latter, may be utilised, and the balance of the estimated cost, viz Rs 2,146/- sanctioned from State funds.

In the above communication, the Deputy Commissioner also solicits sanction to the revival of feeding in the Chattram at Chitaldrug, the feeding in which has been stopped from August 1896.

The issue of rawrations to Byragees from this Chattram was one of the subjects brought forward in the D. R A. of Oct. 1904.

Bringing to notice the ruinous state of the Anna Chattram at Hangal in the Hole Kalmuru Taluk and recommending the construction of a decent pakka building on the same design as that submitted with this office letter No. 178. dated 24th instant for the Chattram at Hiriyur. Hassan.

Sir,

I have the honor to bring to notice that the Government Anna Chattram at Hangal in the Molacalmuru Taluk is in ruins and the feeding has been stopped since January 1898, the funds accumulated therefrom having been ordered to be appropriated for the completion of the Amma Chattram at Chitaldrug. Rs 874/- being the amount thus saved have been utilized for the latter Chattram.

2 The village of Hangal is situated on the important Bangalore Bellary road. When the railway communication is completed between

between Bellary and Raidurg, the number of travellers from Chitaldrug, Bellary, Koodlgi Kottur and other places alighting at the Chattram would be considerable. These circumstances as well as the situation of the place itself bespeak the necessity for a pakka building being provided for the Chattram at this place.

3. I therefore beg to recommend that the construction of a decent pakka building at Hangal may be taken on hand on the same design as that submitted with my letter No 178 dated 24th September 1904 for the Chattram at Hirejur. The cost of the construction of the building will amount to Rs 4013/-.

4. The Chattram at Chitaldrug had at its credit at the end of August 1904 a balance of Rs 1083-1-2 of which Rs 324-9-11 are to be paid to the contractor, leaving Rs 758-7-3. This may be utilized for the Chattram at Hangal, which had at its own credit at the end of August 1904, Rs 859-8-0 thus making a total sum of Rs 1617-15-3 available for the new building

A further saving of Rs 250/- may accrue if the feeding in the Chattram is closed for a year more.

5. Should the Government be pleased to sanction the construction of this Chattram and to grant the balance of Rs 2146/- to make up the estimated amount of 4013/- out of the State grant for the current year, arrangements will be made to take up the work at an early date.

6. In this connection, I beg to suggest that the feeding in the Chattram at Chitaldrug may now be restored as it has been closed since August 1896.

Sir,

With reference to your docket no. 1539 dated 21st September 1905, calling for a further report regarding the construction of an Anna Chattram building at Hangal in the Molacalmuru Taluk, I have the honor to state that an estimate for Rs 4013/- was first submitted with my letter no 191 dated 26th September 1904 with a view to provide for a decent pakka building with liberal accommodation The design was somewhat on the type of a standard Musaferkhana with two blocks facing each other and an open court-yard between. But as your docket no 2070 dated 5th December 1904 required the submission of

of an estimate for an amount not exceeding Rs 2000/-, the design of the building had to be changed retaining only one of the two blocks with other necessary modifications leading to bring down the estimate within the prescribed limit. The building for which the second estimate provides will also be a substantial one.

Sir,

With reference to Government Order No. 2871-2 dated 4th January 1906 sanctioning an estimate for Rs 2,000/- for the construction of a building for the Amma Chattram at Hangal in the Molakalmuru Taluk, I have the honor to submit herewith a revised estimate for Rs 2,316/-. The excess over the original estimate by Rs 316 is explained in the memo accompanying the estimate. The amount that has still to be paid to the Contractor as per original estimate is Rs 1668-8-0.

If this sum is deducted from the amount at the credit of the Institution viz Rs 2,078-11-3 as per Treasury Officer's certificate there will be a sum of Rs 410-3-3 to meet these excess charges. As these modifications were found absolutely necessary in the com-

of execution of work, I solicit the sanction of Government to the revised estimate and to the extra charge therein being met from the funds available at the credit of the Institution.
